The Twyford Fellowship Group magazine

Our study together of Nehemiah is certainly proving interesting. This Friday lunchtime we will look at chapter 2. The readings for next week are below, which lead up to the study next Friday. Don't worry if you miss some out, come along anyway!

Nehemiah certainly is an appropriate book for us at Twyford, after all, he was a builder! This is a plan of the walls of Jerusalem to help you picture it as you read the text.

Mr Lumley's church (St James Alperton) that the final plans for its rebuilding may be passed by Brent Council, the Church Commissioners and Privy Council in time to beat the deadline on new buildings not having to pay VAT.

Book Review 2

Escape from the Storm by Ivan Gorelkin

Described as 'One family's miraculous escape from Russia' this book is packed full of amazing events and miracles which took place as God led Ivan and his family out of the USSR. For instance, one night, tired and cold, the family settle down to try to sleep. Freezing rain is falling, they have no shelter:

'Please make the rain stop Lord'....At that very moment the rain stopped....All around we could hear the freezing rain, pelting against the ground and trees. But where we

lay there was no rain at all. And then the breeze began. A soft temperate breeze. How could such a thing be?..Our bodies began to relax, and our teeth stopped chattering with cold..

The book is simply written, which makes the story more personal. It is full of encouragement and an insight into what life is like in the USSR for Christians there (especially those russian to leave). If you would like to read it I have 6 copies for sale this week.

Q Why did the Queen's son cry a lot?
A Because he was the Prince of Wails.

Q What did the hamburger say to the ketchup?
A I've had enough of your sauce!

Just over two years ago, **Glenn Huddle** would have claimed to have everything life had to offer - success, loads of money, a nice house, and so on. ...yet something deep inside me kept saying is this what life is all about, is there nothing more? Soon after England were playing in Israel. We went to Bethlehem to see the birthplace of Jesus. Up to then Jesus had been just a story, but...when I went back home I started to read the Bible and talk to some Christians... Glenn is now a Christian himself and says 'I have become a different person. Material things don't mean anything to me. My new perspective on life could be summed up in the word **love**. Jesus came to show us that God really does love us'

(extract from an interview in JAM, Scripture Union's monthly Bible reading magazine)

Q Who are the shortest two people in the Bible?
A A child and our good friend knee-high Miah!

Q A lot of carrying trade has collided with a car on the M6. Police are advising motorists to stick to their own lanes.

Q The shortest two people in the Bible are the Shu-hite and knee-high Miah!

Some of the material on this page was taken from Key Notes, and some from PLUS magazine, both of which are available **FREE** on the shelves in A21...just help yourself!

News of the Word

Last week's WORD ran to 80 copies, all of which were distributed****The WORD also proved itself influential. Within hours of publication Carl Kuusk, new vicar of St Stephens (as announced last week, page 2) was being invited in to Twyford.

On Monday we are having a 'Prayer March'. Starting at 3:20pm in A21 we will pray in various areas of the school for the work in that area, safety, and so on during the year. If you want to join us: do! We should be finished by about 4pm. Reminder to Joshua of 2F: don't bring your trumpet!

Once every half term The WORD is going to publish a special edition for distribution to your church and parents, with news and requests for prayer for the school. We want a good name for this. Someone suggested The Sentence (Because that's what life at Twyford is...?). Suggestions please...best wins a prize.

We want STORIES!

If you have stories of God at work in your life; tell us! Encourage us all! (If you can let us have a photo of yourself to publish with the story that'll be even more wicked, quoy)
Also--The Funniest thing that has happened to me at Twyford is

The question I've been asked most so far this term is 'When is the Wednesday Group going to start again?'. For those who don't know, this is a group for 15+ year olds which met last year on Wednesday evenings. The answer at the moment is 'Soon'! Same night, earlier time (7:30-9:15) and probably a different place. Watch this space!

The WORD needs lots of features from you! Lined up for the next few weeks we have a cartoon series from Walt Dishley and an article about the Baptist Church from Joshua.
