

Many Parts... Leaders notes

First 15 minutes

Imagine you run a travelling theatre company which also owns its own theatre, or alternatively a premier league football club.

Make a list of ALL the people needed to run the company/club. Not just the actors/players but also the people who work behind the scenes.

On a large sheet of paper write down the name of your club/company (no existing real names allowed) and all the jobs involved.

Next 10 minutes

Now talk about these questions:

- Of all the jobs on the list which are most important?
- Which least important?
- Could the organisation work as well if _____ didn't exist? (fill in the blank with some of the jobs on your sheet). Why/why not?

Next 10 minutes

Another list on another sheet.....all the types of jobs/people God needs for 'the Body of Christ' (you may need to explain that term) to work properly

Final part

Repeat the questions above for this list.
